

How to Get Grants in Computational Social Science

Chris Bail

Summer Institutes In Computational Social Science

Why should you
listen to me?

Caveats

Do you need a
grant?

What are the costs of doing research in
Computational Social Science?

Research Costs

(e.g. Paying
participants, buying
data)

Hiring Staff

(Grad/undergrad
students, engineers,
lab managers)

Summer Salary

($\frac{1}{3}$ of 9 month salary)

Overhead

(a.k.a. Indirect Costs
Or F&A)

Who gives
computational social
scientists grants?

Government Grants

National Institutes
of Health

Economic
and Social
Research Council

Danmarks
Grundforskningsfond
Danish National
Research Foundation

Foundation Grants

Industry Grants

The Meta logo, featuring a blue infinity symbol followed by the word "Meta" in a dark grey sans-serif font, is centered within a light grey rectangular background.

Meta

The Google logo, consisting of the word "Google" in its signature multi-colored font (blue, red, yellow, green, red), is displayed in its standard size and color.The Amazon logo, featuring the word "amazon" in a dark grey sans-serif font with a curved orange arrow underneath it, is shown in its standard format.The Microsoft logo, which includes the four-pane Windows icon (red, green, blue, yellow) followed by the word "Microsoft" in a dark grey sans-serif font, is presented in its standard layout.

What happens after
you get a grant?

What if I get
rejected?
